<b>TOTAL FEES cheques payable to EBORIENTEERS</b>			£

Competitors should indicate whether they wish to run Long or Short (A or B where appropriate) to determine the appropriate course at the National Event. There will not however be separate races for Long and Short (or A and B) at the Middle Race on Saturday and therefore all within the age group will run the same course. If a competitor wishes to run in a different age class on each day they should include separate entry lines for each.

Data Protection Act: Entry Data will be stored on a computer disk. It is not possible to process entries for anyone who objects to their details being recorded. Competitors take part at their own risk & are responsible for their own safety.
