Thanks for coming to Filey today - this time in the deep south of the town! I hope everyone enjoyed their day - especially the lovely sunny weather. It was also good to welcome so many students from Filey School some of whom (again) showed that they have the potential to be great orienteers. Apologies to everybody that had defective split print-outs. Times have (I hope) now been calculated correctly. Thanks to Amanda Cooper, David Relton and Sue Relton for helping to collect in controls.
