Thank you to Russell and Keith for rescuing the control that was moved by 'hooligans.'

A message from Steve Whitehead- If you are unsure which hedges/fences/walls you are allowed to cross in urban areas, please ask at the York City Centre Race or the Knavesmire North event. People crossing areas they are not suppose to (especially formal hedges in parks) will make it harder or even impossible for us to permission for futures events.... and of course it's cheating!

Phil sends his apologies to all the competitors who may have been affected by the controls being collected in too early.

Thank you to Phil and the Puckrin family for putting on another good little event and to all those who helped out.

Any queries or errors with the results please contact me via [stuart.fraser@hotmail.co.uk](mailto:stuart.fraser@hotmail.co.uk)
