If you are planning to bring a group to a Summer League Event for the first time, so that enough maps can be prepared please contact the Officials (see below) with approx. numbers (not necessary for schools who have already indicated their numbers on the Schools' Reply Form).

Senior Score Training Event: Same map as the Schools Event plus 10 additional controls which may need marking up from master maps. These additional controls will be more technically difficult and/or invite routes through the more runnable parts of the forest. Pin punching will be used at this event and competitors will be issued a control card.
